

Mytholmroyd Flood Alleviation Scheme

The Environment Agency are working in partnership with Calderdale Council and VBA to deliver the Mytholmroyd Flood Alleviation Scheme

Information Bulletin No. 4 – December 2017

PLANNING APPLICATIONS

The planning consents for areas G (Cragg Brook upstream), H (White Lee Clough) and I3 (Canal overspill) have now been approved with some conditions.

WALL FINISHES CONSULTATION – Results are in!

Following the distribution of voting slips and the 3 days of consultation regarding the wall finishes between Caldene Bridge and Whitehouses, we can confirm the result as follows:

59% - Option A (Plain)

41% - Option B (with recess)

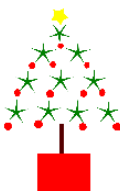

Supplier Engagement Day

We had a fantastic response to our event, where 105 local businesses signed up to our supply chain to help deliver the Mytholmroyd Flood Alleviation Scheme!

On behalf of the EA & VBA we wish you all a very Happy Christmas and best wishes for 2018 !

CONSTRUCTION UPDATE

Cragg Brook

The first 12 precast wall units have been installed on the left bank, these will be clad with stone and have copings installed to the top.

The next batch of units is due on Monday 18/12/17

Calder Grove

Work continues inside the building to construct the new gable wall and piers for stability, prior to demolition of the main building

Contact us!

We are closed between 22nd December 2017 and 8th January 2018 and so there will be no surgeries at the community centre between these dates.

You can still contact us by email - mytholmroydFAS@environment-agency.gov.uk
